Scegli uno dei nostri flaconi in plastica e chiedilo in HDPE rigenerato.

Le proprietà dell'imballaggio rimangono invariate.
Colori ottenibili: bianco coprente tendente al grigio o colorato.
Profumazione tipica della plastica rigenerata da flaconi.
Minimo quantitativo ordinabile: 5000 pz.

Choose an HDPE bottle in our product range and ask for the recycled version.

The properties of the packaging remain unchanged.
Colours available: light grey matte or coloured.
Typical smell of regenerated plastic bottles.
MOQ: 5000 pcs.

Piattelli e dischi safe sono disponibili per la maggior parte dei nostri vasi in vetro.

The sheeves and safeguard disks are available for most of our glass jars.

Les opercules et les disques "safeguard" sont disponibles pour la plupart de nos pots en verre. Przekładki i "platynki - safe disks" są dostępne dla większości naszych szklanych stoików.
